

from the date of this Confirmatory Order without further order or proceedings. If an extension of time for requesting a hearing has been approved, the provisions specified in Section V shall be final when the extension expires if a hearing request has not been received.

For the Nuclear Regulatory Commission,
Raymond K. Lorson,
Deputy Regional Administrator, NRC Region I.

Dated this 26th day of January, 2022.

BILLING CODE 7590-01-P

OCCUPATIONAL SAFETY AND HEALTH REVIEW COMMISSION

Proposed Information Collection; Comment Request

AGENCY: Occupational Safety and Health Review Commission.

ACTION: 60-Day notice of information collection; request for comments.

SUMMARY: Under the Paperwork Reduction Act (PRA) of 1995, the Occupational Safety and Health Review Commission (OSHRC) offers the public and Federal agencies the opportunity to comment regarding OSHRC's intent to request an extension of an information collection (IC) that was approved through emergency clearance procedures by the Office of Management and Budget in January 2022. The information is collected through OSHRC's Request for a Medical Exception to the COVID-19 Vaccination Requirement form. The IC is assigned OMB Control No. 3202-0005, which is set to expire on July 31, 2022. This 60-Day Notice informs the public and Federal agencies that they may submit comments to OSHRC regarding this IC.

DATES: Submit written comments regarding this collection of information by April 4, 2022.

ADDRESSES: You may submit comments by any of the following methods:

- **Email:** OSHRC_Privacy@oshrc.gov. Include "PRA, OMB Control No. 3202-0005" in the subject line of the message.
- **Fax:** (202) 606-5417.
- **Mail:** One Lafayette Centre, 1120 20th Street NW, Ninth Floor, Washington, DC 20036-3457.
- **Hand Delivery/Courier:** Same as mailing address.

Instructions: All submissions must include your name, return address, and email address, if applicable. Please clearly label submissions as "PRA, OMB Control No. 3202-0005."

FOR FURTHER INFORMATION CONTACT: Privacy Officer, via telephone at (202)

606-5410, or via email at OSHRC_Privacy@oshrc.gov.

SUPPLEMENTARY INFORMATION: To comply with Executive Order (E.O.) 14043, "Executive Order on Requiring Coronavirus Disease 2019 Vaccination for Federal Employees" (Sept. 9, 2021), and guidance from the Safer Federal Workforce Task Force, OSHRC created and received emergency clearance in January 2022 to collect information through the following form: "Request for a Medical Exception to the COVID-19 Vaccination Requirement." The information collected is used to determine whether an employee is entitled under section 501 of the Rehabilitation Act of 1973, 29 U.S.C. 791, to a medical exception to the vaccination requirements for federal employees set forth in E.O. 14043.

The OMB control number assigned to this form was obtained through emergency clearance and is therefore valid for only six months, expiring on July 31, 2022. In anticipation of future requests from its employees, OSHRC is specifically requesting an extension of its IC. Prior to submitting an IC request to the Office of Information and Regulatory Affairs, 5 CFR 1320.8(d)(1) requires agencies to provide a 60-day notice in the **Federal Register** and "otherwise consult with members of the public and affected agencies." Thus, through this notice, OSHRC is soliciting public comments that include: (1) Whether the proposed collection is necessary for the agency to perform its mission; (2) the accuracy of the estimated burden specified below; (3) ways for the agency to enhance the quality, usefulness, and clarity of the IC; and (4) ways for the agency to minimize the burden without reducing the quality of the IC.

Title of Collection: Request for a Medical Exception to the COVID-19 Vaccination Requirement.

OMB Control Number: 3202-0005.

Form Number: Not applicable.

Type of Review: Extension of an approved collection.

Affected Public: OSHRC employees.

Total Estimated Annual Burden Hours: 9.

Estimated Average Burden Hours per Respondent: 3.

Frequency of Response: As required.

Total Estimated No. of Annual Responses: 3.

Cynthia L. Attwood,
Chairman.

BILLING CODE 7600-01-P

OFFICE OF PERSONNEL MANAGEMENT

Privacy Act of 1974; System of Records

AGENCY: Office of Personnel Management.

ACTION: Notice of modified systems of records.

SUMMARY: In accordance with the Privacy Act of 1974, the Office of Personnel Management (OPM) is modifying the systems of records listed in this notice to incorporate two routine uses related to breach of personally identifiable information (PII) pursuant to the Office of Management and Budget's Memorandum 17-12. The first routine use deals with the breach of an agency's own records, and the second addresses the disclosure of agency records to assist other agencies in their efforts to respond to a breach of their own records. The new routine use that addresses breaches of an agency's own records replaces the one OPM previously published November 30, 2015 at 80 FR 74815.

DATES: Please submit comments on or before March 4, 2022. These new routine uses are effective March 9, 2022.

ADDRESSES: You may submit written comments by one of the following methods:

Federal Rulemaking Portal: <http://www.regulations.gov>

All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov>, as they are received, without change, including any personal identifiers or contact information. Email: privacy@opm.gov.

FOR FURTHER INFORMATION CONTACT: Marc Flaster, Senior Advisor to the Chief Privacy Officer, 202-606-2115.

SUPPLEMENTARY INFORMATION: On November 30, 2015, the Office of Personnel Management (OPM) published a routine use for all of its systems of records to permit disclosing information when necessary to respond to breaches of OPM's own records. Subsequently, on January 3, 2017, the Office of Management and Budget published Memorandum 17-12, Preparing for and Responding to a Breach of Personally Identifiable Information, which established two model routine uses, one on disclosure of information related to breaches of an

agency's own records, similar to what OPM published in 2015, and the second concerning the disclosure of agency records to assist other agencies in their efforts to respond to a breach. The latter would facilitate providing agencies with information to locate and contact individuals potentially affected by a breach, or provide information related to the agency's programs. OPM is now modifying all of the systems of records

identified in this Notice to include the two routine uses set forth in OMB M 17-12 and rescinding the routine use published in 2015.

Office of Personnel Management.
Alexys Stanley,
Regulatory Affairs Analyst.

SYSTEM NAME AND NUMBER:

The systems of records to be modified by including the two new routine uses

described in this Notice are set forth below. An asterisk (*) designates the last publication of the complete document in the **Federal Register**. Any history prior to the last publication in the **Federal Register** is omitted for clarity.

SECURITY CLASSIFICATION:

Unclassified.

SYSTEM LOCATION:

The appropriate OPM program, as identified in each notice, governs each respective system of records.

SYSTEM MANAGERS:

The applicable program executive is identified in each notice.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND PURPOSES OF SUCH USES:

In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act, all or a portion of the records or information contained in the systems identified above may be disclosed outside OPM as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

- To appropriate agencies, entities and persons when (1) OPM suspects or has confirmed that there has been a breach of the system of records, (2) OPM has determined that as a result of the suspected or confirmed breach there is

a risk of harm to individuals, OPM (including its information systems, programs and operations), the Federal Government, or national security; and (3) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with OPM's efforts to respond to the suspected or confirmed breach or to prevent, minimize, or remedy such harm.

- To another Federal agency or Federal entity, when OPM determines that information from this system of records is reasonably necessary to assist the recipient agency or entity in (1) responding to a suspected or confirmed breach or (2) preventing, minimizing, or remedying the risk of harm to individuals, the recipient agency or entity (including its information systems, programs and operations), the Federal Government, or national security, resulting from a suspected or confirmed breach.

HISTORY:

See System Name and Number above.
